FOX BAY

OWNERS ASSOCIATION

***This application is incomplete and cannot be reviewed without the following specifications (If applicable) included or attached:**

1. Plans (construction, site)
2. Material Specifications (type, color, specs, drawings)
3. Paint Colors
4. Exterior Photos or Elevations

The undersigned requests the Architectural Review Committee ("ARC") review the improvements herein in accordance with the covenants and restrictions of Foxbay Homeowners Association.

Approval of the ARC in no way shall be construed as representing the correctness of plans, design, or structural soundness. Owner is responsible for all permits, fees and ensuring construction is completed in a workmanlike manner without damage to adjacent properties or common areas.
